The Government of Rwanda signed a Grant Agreement with the World Bank, acting as administrator of the Global Agriculture and Food Security Program (GAFSP), for the financing of Sustainable Agriculture Intensification and Food Security Project (SAIP). The project is implemented under the Single Project Implementation Unit (SPIU) of World Bank and KOICA Funded projects of Rwanda Agricultural and Animal Resources Development Board (RAB). The project will support the Government's efforts to accelerate growth in the agricultural sector and further reduce poverty. SAIP development objective is to increase agricultural productivity, market access and food security in targeted beneficiaries in the project areas.

The SPIU of World Bank and KOICA Funded Projects under RAB wishes to recruit well qualified, competent, self-motivated and result oriented staff for Sustainable Agricultural Intensification and Food Security Project (SAIP) for the following positions:

1. Social Safeguard Specialist (1)
2. Horticulture Specialist (1)
3. Nutrition Specialist (1)
4. Irrigation Engineer (1)
5. Water Users Association Specialist (1)
6. Agribusiness Specialist (1)
7. Rural Finance Specialist (1)
8. District Coordinator & Monitoring and Evaluation (2)

Terms of Reference for the above mentioned positions may be consulted on the following websites:
